There was enough opportunity for networking / meeting colleagues.	1	2	3	4	5
The congress was professionally organized.	1	2	3	4	5

## SUGGESTIONS FOR FUTURE ECSR

**Did you miss certain aspects of recent research developments or urgent clinical issues?**

- yes e.g.: \_\_\_\_\_  
 no

**Did you actively contribute to the programme as author (oral / poster presentation) or chair?**

- yes  no

**If yes: Would you have attended the congress without the opportunity of active contribution?**

- yes  no

**Future ECSRs should provide**

- more  the same number  less parallel tracks of scientific sessions  
 more debates and other interactive sessions  
 additional CME-courses as  pre-congress offer or  parallel to the congress sessions  
 state-of-the-art lectures on \_\_\_\_\_  
 workshops on \_\_\_\_\_

**Which topic shall be in the focus of the forthcoming conference in 2021?**

\_\_\_\_\_

**Which European issues would you like to be addressed in the forthcoming conference in 2021?**

\_\_\_\_\_

**What measures would you think useful to progress networking in European schizophrenia research?**

\_\_\_\_\_  
\_\_\_\_\_

**Would you prefer to keep Berlin as the constant host of the ECSR in the future?**

- yes  no  I would prefer \_\_\_\_\_

**Additional comments:**
